## **CLUB BY-LAWS**

### 1. Acceptance/Conditions as a Club Member

Membership application will be voted on at the next club committee meeting and applicant will be notified of decision; Acceptance of membership does not guarantee acceptance of vehicle for club registration; by requesting to become a member of Club, applicant acknowledges that they need to attend two events and/or meetings per year or pay an extra \$100 to be a member (and have a vehicle on club permit); Applicant must live within a 150km radius of Dimboola for acceptance (or have ties to the area).

### 2. Scrutineering

Members must apply to have a vehicle on Club registration.

Registration of the vehicle is the scrutineer's discretion; but if there is a discrepancy re eligibility of the vehicle(classic/collectable), the scrutineer should refer to other scrutineers for further discussion; Vicroads eligibility does not necessarily mean Club eligibility.

### 3. Once membership is accepted the member will be offered access to our online social platforms for communication and notifications of club events, meetings and social outings.
